Chief Porter,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As you review the attached MOU, or if others will be charged with this task, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed out a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, prior to sharing it with us. Once we receive the signed copy of the MOU, we can move forward with the on-boarding.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR and Media team for support.

Could you please help me identify the personnel in the highlighted roles:

- Partnership Coordinator - Chief Robert Porter (rporter@huntley.il.us)
- Public Information Officer / Social Media Liaison - **TBD**
- Investigative (CID/Crime/Property Crime) - **TBD**
- Community Outreach Officer - **TBD**

Thank you again for meeting with me. I look forward to working with you and Huntley Police Department.

Sincerely,

Rohit D. Murti

Neighbors is more than an app,
it's the power of your community coming together
to keep you safe and informed.

Get real-time crime and safety alerts from your neighbors

Criminals target neighborhoods, not individual homes. But with
real-time crime and safety alerts from your neighbors, you'll
stay one step ahead of crime.

When you see something, share something

Millions of Americans are already using Neighbors - now you
can stay connected with your community and share alerts
about suspicious or criminal activity.

Our [community guidelines](#) help ensure all Neighbors treat
each other with dignity and respect.

Safer Neighborhoods start with Neighbors.

Chief Porter,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Partner Success Manager - Kyle Demmin.

Kyle brings extensive experience in the business and is well positioned to successfully onboard and work with you and Huntley Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Kyle. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership.
 - Name - Chief Robert Porter
 - Email - rporter@huntley.il.us
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR.
 - Name - Deputy Chief Mike Klunk
 - Email - mklunk@huntley.il.us
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc..
 - Name - N/A
 - Email - N/A
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
 - Name - Sergeant Scott Sullivan
 - Email - ssullivan@huntley.il.us
- **Social Media Coordinator** - your resident expert who is responsible for posting to social media.
 - Name - Christina Austin
 - Email - caustin@huntley.il.us

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Kyle, could you please coordinate with Chief Porter to identify a day and time that works for all of your schedules?

Thank you, to you all, for your time.

Sincerely,

Hi Chief Porter,

It's a pleasure to meet you. I'd like to set up an intro call so we can discuss the training program and cover next steps. Do any of the following times work for you? Please let me know the best number to reach you on as well.

- Wednesday, May 29th 11am - 11:15am CST
- Thursday, May 30th, 10am - 10:15am CST
- Friday, May 31st, 2pm - 2:15pm CST

From there we will schedule the train the trainer webinar. That usually takes about an hour and would include all the key stakeholders here on this email thread. Please let me know if you have any questions or concerns before then!

Best,

Chief Porter,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Partner Success Manager - Kyle Demmin.

Kyle brings extensive experience in the business and is well positioned to successfully onboard and work with you and Huntley Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Kyle. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership.
 - Name - Chief Robert Porter
 - Email - rporter@huntley.il.us
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR.
 - Name - Deputy Chief Mike Klunk
 - Email - mklunk@huntley.il.us
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc..
 - Name - N/A
 - Email - N/A
- **Investigative Coordinator** - your resident expert when the department

wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.

- Name - Sergeant Scott Sullivan
- Email - ssullivan@huntley.il.us

- **Social Media Coordinator** - your resident expert who is responsible for posting to social media.
 - Name - Christina Austin
 - Email - caustin@huntley.il.us

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Kyle, could you please coordinate with Chief Porter to identify a day and time that works for all of your schedules?

Thank you, to you all, for your time.

Kyle, Thursday at 10 A.M. works for the phone call appointment. I would like to consider a couple of changes to the listed roles. Is there any way to list Deputy Chief Mike Klunk (also listed as media contact) and Deputy Chief Todd Fulton (tfulton@huntley.il.us) and myself as Partnership Coordinators. They have been actively involved in this project and will be heavily involved moving forward. I would also like to add Officer Megan Racila (mracilla@huntley.il.us) as the Community Relations Coordinator if possible.

I can be reached directly tomorrow at (847) 515-5310.

Morning Chief Porter,

We are confirmed for 10am CST this morning. I've updated the key contacts on my end as well so we are all set there.

As far as today's call, this is more of a quick 5-10 minute introduction to discuss the webinar and action items prior to that meeting. Once we schedule the webinar (usually 1-2 weeks out), that is when we suggest all the key contacts attend.

Please let me know if you have any questions. Looking forward to chatting soon.

Chief Porter,

Not a problem at all. I'm available both of those days. Do either of those days from 10am - 11am CST work for you?

I'll send over calendar invite once we confirm.

Kyle those dates do not work with the group. Do you have anything available the following week June 25th or 26th. Both of those dates are pretty much free for the group.

Afternoon Chief Porter,

Thank you for following up with me. My apologies for not reaching out first.

We are all confirmed for 6/25 at 10am CST. I've sent out the calendar invite and this will be a screen-share webinar.

Since we last spoke, we've modified our process and the only action items to cover is the completion of the Excel sheet I had sent over earlier. I've also attached it to this email. Here a few things to note:

1. Defining who will have the ability to create a Post
2. Defining who will have the ability to send a Video Request
3. Assigned Area will be the entire city wide jurisdiction. Anytime there is a new crime post in the Neighbors app, every Huntley PD Portal user will receive an email notification.

The day prior to the webinar an in-app post will go live to those Neighbors app users in the Huntley area. This will just notify the community that Huntley PD has joined the Neighbors app. On the day of onboarding, I'd also recommend post in your Portal, but that wil be covered during the call.

Other than that, we are good to go. Please let me know if you have any questions or concerns prior to next week!

Best,
Kyle

Chief Porter,

Hope that you had a great weekend. I wanted to confirm we are set for tomorrow at 10am CST for the remote webinar. Link for tomorrow is in the calendar invite, but can also be found here: <https://ring.zoom.us/j/4998466765>

Few things to check in on:

1. **Law Enforcement User List** - Has this been completed?
2. **In App Alert** - This will be posted in the Neighbors App tomorrow after the webinar. Please see attached template.

Other than that, we are good to go for tomorrow. After the call tomorrow the account invites will be sent and I'll follow up with email recap/materials.

Please let me know if you have any questions!

Afternoon Chief Porter,

Thank you for following up with me. My apologies for not reaching out first.

We are all confirmed for 6/25 at 10am CST. I've sent out the calendar invite and this will be a screen-share webinar.

Since we last spoke, we've modified our process and the only action items to cover is the completion of the Excel sheet I had sent over earlier. I've also attached it to this email. Here a few things to note:

1. Defining who will have the ability to create a Post
2. Defining who will have the ability to send a Video Request
3. Assigned Area will be the entire city wide jurisdiction. Anytime there is a new crime post in the Neighbors app, every Huntley PD Portal user will receive an email notification.

The day prior to the webinar an in-app post will go live to those Neighbors app users in the Huntley area. This will just notify the community that Huntley PD has joined the Neighbors app. On the day of onboarding, I'd also recommend post in your Portal, but that wil be covered during the call.

Other than that, we are good to go. Please let me know if you have any questions or concerns prior to next week!

Best,
Kyle

Afternoon Chief Porter,

Thank you for following up with me. My apologies for not reaching out first.

We are all confirmed for 6/25 at 10am CST. I've sent out the calendar invite and this will be a screen-share webinar.

Since we last spoke, we've modified our process and the only action items to

cover is the completion of the Excel sheet I had sent over earlier. I've also attached it to this email. Here a few things to note:

1. Defining who will have the ability to create a Post
2. Defining who will have the ability to send a Video Request
3. Assigned Area will be the entire city wide jurisdiction. Anytime there is a new crime post in the Neighbors app, every Huntley PD Portal user will receive an email notification.

The day prior to the webinar an in-app post will go live to those Neighbors app users in the Huntley area. This will just notify the community that Huntley PD has joined the Neighbors app. On the day of onboarding, I'd also recommend post in your Portal, but that wil be covered during the call.

Other than that, we are good to go. Please let me know if you have any questions or concerns prior to next week!

Best,

Kyle

Thanks for your help on this project. Our investigations unit is looking forward to this tool and will most likely be putting out the video request tomorrow on the case we eluded to in the meeting today.

We will also have our public outreach get started on flyers and social media connects.

Effective today, HPD has joined the Ring Neighbors app. This will allow us to post crime and safety incidents directly to the Neighbors feed in the Ring app to keep users of the app informed of critical events and request video. It will also allow HPD to see posts that they share so we are aware of critical events and are able to respond when appropriate. The app is free and a Ring device is not required to join. Please see the attached information sheet for details.

We are in the process of training all the detectives, patrol sergeants, and patrol OICs on the use of the law enforcement portal.

As with our other social media modalities, users are cautioned that the Neighbors App is NOT a primary reporting tool and is not monitored by HPD 24/7. They should be using 9-1-1 and the non-emergency line to report crimes that require an officer response.

Ring has also extended the following discount code to our employees:

Kyle,

Thanks for your help on this project. Our investigations unit is looking forward to this tool and will most likely be putting out the video request tomorrow on the case we eluded to in the meeting today.

We will also have our public outreach get started on flyers and social media connects.

Thanks again, have a great night.

Deputy Chief Klunk & Officer Racila,

Thank you again for this morning. I hope you both learned a lot about Portal (and that I didn't talk too much!).

I wanted to follow up with some marketing assets for you both to have. I'd also recommend posting these to your social media pages to drive awareness of the Neighbors App.

Please see attached for the assets. Additionally, please feel free to print these off for community events.

If you'd like me to send over a template Facebook post and a template Welcome Post for Portal, please let me know.

Chief Porter,

Hope that this email finds you well and that you had a great weekend.

I wanted to check in to see how things were going from Portal perspective? I know it's still pretty early, but wanted to see your thoughts on the implementation to the usage of Portal.

Looking forward to your thoughts.

Best,
Kyle

So far so good, we have not had a lot of activity thus far. However, one incident will likely change that.

Not much activity can also be a good thing!

In scenarios where there isn't much activity, this is a great time to create Public Safety Tip posts to drive some form of engagement.

I'll continue to check in, but please feel free to always reach out if there's anything I can do to assist you and your department.

Date: Wednesday, July 31, 2019 7:00:48 AM

Tell Your Community About Your Events

Neighbors Portal is a great tool you can use to raise awareness about local crime and safety events, especially National Night Out (NNO) coming up on Tuesday, August 6th. Posting about local events can help drive resident attendance and increase engagement with your community.

Keep your Post simple and local by including the date, time and location of your event to target users within that specific area.
